We offer a creative space for ideas to flourish.

Catering

Our kitchen specialises in buffet-style crowd pleasers including brochettes, ibirayi, chicken wings, fried fish and dipping sauces.

We are also able to provide curated set menus, organise cakes, and work with suppliers to deliver something a bit more fancy for special occasions.

We can cater for vegetarian and vegan guests and accommodate most dietary requirements with advance notice. Please discuss any allergies with us when booking.

For children's parties we are able to provide snacks and treats.

On the drinks side, we usually create a cocktail list for parties and we can issue drink tokens for larger events.

We are always happy to discuss a menu to suit your budget.
